

fine Expression in Darmstadt has been providing translations from and into just about every language in the world for years. We harness innovative technology to a native speaker's grasp and intuitive understanding, and combine all this with expert knowledge. By offering individual and tailored language solutions to all industries throughout the world, we can deliver languages in all formats to help our customers reach their global goals.

We are looking for a native English speaker to become the latest member of our highly motivated and talented team.

Full-time translator with native English,

someone who can bring the drive and the passion needed to break down language and cultural barriers in order to produce high-quality translations for the wide variety of industries on our impressive customer list.

What can you expect of us?

- To translate from German into English in all things marketing/business/technology/IT
- To edit and proofread translations from your team members and to revise customer texts
- To manage terminology databases and contribute to client-specific glossaries
- To undertake research in various subject areas
- To liaise with customers on questions of content and to work with customers on site
- To contribute and co-operate as part of the team and to work with external translators across the world

What can we expect from you?

- Previous experience in translation across many topics and areas
- A native English speaker with excellent German skills
- Superlative knowledge of the English language in terms of content, grammar, terminological consistency and orthography
- An excellent understanding of CAT tools
- Self-reliance, reliability and someone who is dynamic and inquisitive
- Work which is accurate and efficient
- Someone who is open-minded to new technologies and topics
- A quick learner with a flair for language and style

Do you have what it takes to join our team? Do you want to be a part of our success?

Then send your full, digital application to our CEO and Owner Mr. Fritz-Vietta at:
